

NUGEVITY

AS 10[®] FUSION

A deliciously energizing shot that is also a healthy serving of superfood ingredients derived from our joint research with NASA as part of a Space Act Agreement. AS-10[®] FUSION has been formulated to fill the nutritional gap between the recommended daily servings of fruits & veggies, and what people actually consume.

Maximum performance, Naturally

Benefits

- Fast-acting Energy Shot, provides stamina and alertness for unmatched physical and mental performance.*
- Easy to carry single-serving shot.
- Provides supplemental servings of fruits and vegetables.
- Added levels of phytonutrients and phytochemicals that would otherwise not be easily obtained from the diet.

Key Ingredients

- **B-Complex Vitamins** play an important role in cellular energy production and metabolism.
- **Cupuaçu** featured in NBC's Today Show as one of the most nutritious superfoods on the planet, this delicious fruit is consumed throughout the Amazon region, where the locals refer to it as the *Pharmacy in a fruit*.
- **Açaí** is a potent superfruits with a high content of polyphenols and essential fatty acids.
- **Vegetables** such as spinach and broccoli, along with other herbal extracts co-developed with NASA as an alternative means of providing the benefits of these nutrients to astronauts during long-duration flights, where consuming fresh vegetables and fruits is impossible.

Product Features

- A blend of fruit and vegetable phytochemicals with potential antioxidant benefits co-developed with NASA for the maintenance of human health, even in the most extreme environments.
- These macro-nutrients are the perfect complement to the micro-nutrients found in AS-10[®] LIFE. For a complete nutritional regimen that promotes health and provides the full astronaut experience, take together for like.

Contraindications & Precautions

Keep out of the reach of small children. Do not use if you are pregnant, nursing, or have a known allergy to its ingredients. As this is not a sugar-free food, diabetics should consult with their physician prior to use. Each shot of AS-10[®] FUSION contains about as much caffeine as a cup of coffee. People with known sensitivities should exercise caution.

Directions For Use

Shake well before using. Spike your favorite juice, smoothie or beverage with a 2.5 fl oz shot for a burst or flavorful energy, or take shot alone for immediate results. Refrigeration is not needed but it is recommended for best flavor.
