

NUGEVITY

AmeriSciences® MD

ENERGY

Simply put, vitality in a bottle. Don't fall victim to sugary beverages that are laden with chemicals, artificial ingredients, and unwanted calories. Let AmeriSciencesMD® ENERGY show you a better way to feeling energized and focused all day long, without the sudden crash of popular drinks and shots.*

Consistent, Steady Energy and Vitality

Benefits

- Increases stamina, alertness and mental clarity.*
- Improves the body's ability to cope with fatigue and stress.*
- May help increase maximum oxygen uptake, which could impact exercise performance and physical activity.*
- Promotes awakesness without feeling "wired" or jittery.*

Product Features

- Free of sugar, high-fructose corn syrup, artificial stimulants, and calories.
- Made with nutrients and botanical ingredients.

Key Ingredients

- **Ginseng & Eleuthero:** adaptogenic herbs that have been researched by major universities and used for their ability to act as general tonics that support human performance.*
- **Guarana:** a Brazilian seed that is commonly used to stimulate alertness and wakefulness.*
- **Green Tea:** a soothing herb rich in antioxidants that may help increase the body's metabolism.*

Contraindications & Precautions

Keep out of the reach of children. Do not use if you are pregnant or nursing. Individuals with a medical condition should consult their physician.

Directions For Use

As a dietary supplement, adults take one (1) tablet in the morning and early afternoon, or as recommended by a physician.
