AmeriSciences[®]MD

MM6[™] FOR WOMEN

Featured in NASA's Spinoff Magazine and formulated to provide the most comprehensive support for all the health needs of the modern adult and senior, AmeriSciencesMD[®] MM6 is really six formulas combined into one convenient daily packet. This is the last supplement you will ever need!

Elite Daily Nutrition For Women

Each Serving Provides

1. A complete multivitamin formula co-developed by NASA for the use by the US astronaut program, to ensure daily intake of all essential nutrients.
2. A high-potency anti-aging blend of antioxidants for eye and cellular health.*
3. A bone health formula with added vitamin D and calcium.*
4. A cardiovascular support formula.*
5. A blend of botanicals and nutrients that support hair, skin, veins and nails, as well as urinary and hormonal functions critical to female health.*
6. A bonus capsule of Omega Max, omega-3 fatty acids to support a healthy brain, heart and immune system.

Product Features

- Six different formulas for the price of one!
- Provided in convenient daily packets. No more guesswork or counting pills!
- Each packet contains two (2) red AS-10[®] LIFE tablets, two (2) pink Women's Complete tablets, one (1) white Osteo tablet, and one (1) yellow OmegaMax softgel.
- All AmeriSciencesMD[®] tablets feature Nugevity's unique Biorelease[™] technology, ensuring maximum dissolution and bioavailability.

Directions For Use

Take the contents of one (1) packet daily. If stomach upset occurs, take with a meal or meals.

Other Highlights

Optimal Doses of micronutrients and other dietary ingredients that go beyond just the bare minimums, to provide a solid nutritional foundation.

Chelated Minerals facilitate the absorption and utilization of trace minerals in the body.*

No Artificial Colors or Preservatives.

Contraindications & Precautions

Keep out of the reach of children. Do not use if you are pregnant, nursing, or have a known allergy to any of the ingredients. Individuals with a medical condition or taking prescription medications should consult with their physician prior to use. **WARNING:** Accidental overdose of iron-containing products is a leading cause of death in children under 6. Keep this product out of reach of children. In case of accidental overdose, call a doctor or poison control center
