

# NUGEVITY

AmeriSciences® MD

## PROSTATE PLUS

A scientifically formulated blend that can help support prostate and urinary health in men. As you age, the prostate gland naturally expands. It is believed that approximately half of all men over the age of 50 experience some form of normal, age-related prostate discomfort. Used and recommended by urologists, this pharmaceutical-quality product can be a great way to increase the intake of nutrients critical to this important sexual gland.\*

## For an Empty Bladder And a Healthy Prostate\*<sup>\*</sup>

### Benefits

- Helps maintain normal prostate size and structure\*
- May help maintain PSA (prostate-specific antigen) levels within in the normal range.\*
- Supports normal urinary function and flow\*

### Product Features

- All AmeriSciencesMD® tablets feature Nugevity's unique Biorelease™ technology, ensuring maximum dissolution and bioavailability.
- A unique combination of herbal extracts, antioxidants and enzymes that work together to help maintain prostate health and its functions.\*

### Key Ingredients

- **Saw Palmetto** is one of the most extensively researched herbs in the world, and has been shown to support normal prostate health in mature men.\*
- **Lycopene** is a tomato-derived carotenoid antioxidant and, along with Saw Palmetto, may help maintain PSA levels already in the normal range.\*
- **Bromelain**, a proteolytic enzyme, enhances the absorption of the antioxidant flavonoid Quercetin, which in turn may help stabilize prostate cell membranes.\*

### Contraindications & Precautions

Keep out of the reach of children. Do not use if you are pregnant or nursing. Concomitant use of hormones or adrenergic drugs should be monitored and may need to be adjusted. Individuals with a medical condition should consult their physician.

### Directions For Use

Adults take two (2) tablets daily, or as recommended by a physician.
