

NUGEVITY

AmeriSciences® MD

SLEEP

A premium bedtime formulation, AmeriSciencesMD® SLEEP provides you with the nutrition you need to help your body heal and recover during the sleep cycle. It also features a unique blend of soothing herbs and other ingredients to help you recover and wake up fully alert.*

Experience a restful night and a fresh morning*

Benefits

- Provides essential nutrients throughout the night*
- Helps reduce occasional sleeplessness*
- Safe for everyday use. Non-habit forming.

Key Ingredients

- **Vitamins and Minerals** are essential nutrients needed for the production and repair of tissues. This unique formulation delivers these critical ingredients when your body needs them most.
- **Valerian** has been used as a tea or tincture since the days of the Romans. Research suggests that it may reduce the amount of time that it takes to fall asleep.*
- **Passionflower** is believed to work synergistically with other herbs such as valerian in promoting relaxation.*
- **Grape, Milk Thistle and Citrus Bioflavonoids** act as antioxidants, reducing cellular damage.*

Directions For Use

As a dietary supplement, adults take two (2) tablets nightly, or as recommended by a physician.

Contraindications & Precautions

Keep out of the reach of children. Do not use if you are pregnant or nursing, unless indicated by a physician.

Product Features

- A proprietary blend of soothing herbs and antioxidant phytonutrients fight free radicals while you sleep.*
- All AmeriSciencesMD® tablets feature Nugevity's unique Biorelease™ technology, ensuring maximum dissolution and bioavailability.
